TRIALS AND ELIMINATIONS

Each trial shall consist of not more than ten [10] horses. The trial shall be raced under the same conditions as the Stake. No more than ten [10] horses shall be selected from the trials to participate in the Stake. These horses shall be selected on a time basis. Time of horses in separate trials will be determined by the limitations of the Electric Timer. Should two or more horses in the same trial have identical time, then the preference will revert to the order of finish. No adjustments will be made in recorded time of Trials for head wind, off track, etc. Should a mechanical failure occur with the electrical timer on any time trial, time for that Trial will then be selected by stop watches. If, for any reason a tie exists, the horses involved shall draw lots to determine which shall participate in the Finals. Should a horse be disqualified, he will be given the time of the horse he is immediately placed behind plus 1/1000 of one second. If the front gates on the starting gate fail to open due to a mechanical failure, or if a horse is left behind the gate when the field is dispatched during the running of the Trials, the money wagered on the horse is returned to the public, such horse shall be declared a non-starter and all nominating, sustaining and entry shall be refunded from the purse to the owner of said horse. During the running of the Final such horse will be declared a non-starter and shall be classified as a scratched horse and shall be paid last place purse money. The decisions of the stewards in all matters shall be final and entries are accepted only on the condition that those persons nominating and/or starting a horse in the Trials and/or Stake agree to abide by their decision. If any part of an entry is disqualified, it may disqualify all of the entry. All rules or new rules adopted by the New Mexico State Racing Commission supercede any condition of this race. Entries in trials will be split if possible. Sunland Park Racetrack & Casino reserves the right to hold trials on a non-race day, subject to the approval of the New Mexico State Racing Commission. The starting gate will be moved after each trial.

ALSO ELIGIBLE LIST

There will be no "Also Eligible List" in the Finals. Should a horse or horses scratch from the Finals, then the last place money or monies shall be equally divided among the owner or owners of the horse or horses that are scratched.

Sunland Park Racetrack & Casino reserves the right to have its Track Veterinarian mouth or inspect any nominee for age.

If a positive test arises in a trial race, the horse is eligible for entry during the period the split is tested and reported to the Commission. If the reports a positive test, the horse is disqualified from both the trial and the race for which the trial was conducted.

All checks returned by the bank will constitute no payment.
